VIZEN

The VIZEN face shield protects against electric arc hazards. This full-coverage shield offers face and eye protection while preserving peripheral vision. It is easily installed on VERTEX and STRATO helmets, thanks to the EASYCLIP attachment system. It also has scratch-resistant and anti-fog coatings.

Installation is quick and easy, thanks to the included EASYCLIP attachment system.

VIZEN is easy to install on VERTEX and STRATO helmets.

Short Description Face shield for protection against electric arc hazards, with EASYCLIP system for VERTEX and STRATO helmets
