

INSTALLATION INSTRUCTIONS: HEAVY DUTY ROLLING DOOR LOCK

INSTALLING THE H.D. ROLLING DOOR LOCK

1. Be certain to slide the H.D. Rolling Door Lock main body as far to the left as you can enclosing the rolling door handle latch hook within the forks of the H.D. Rolling Door Lock.
2. Align the “U” shaped body so it will slide over the door’s locking lever while being received in the main body.
3. Once properly fitted, be sure to slide the “U” shaped body as far right as possible to secure the rolling door handle and depress the locking button. Or with the changeable combination lock, scramble the numbers and depress; therefore securing the lock in place.
4. Congratulations! Your Rolling Door Lock is installed. Secure the keys in a safe place. However, if the “U” shaped body is too far to the left, it is NOT correctly installed as it leaves the handle susceptible to exterior tampering.

REMOVING THE H.D. ROLLING DOOR LOCK

1. Insert key and turn one quarter turn clockwise or turn dials so lock mechanism “pops out”.
2. Carefully lift the “U” shape off of the main body and locking lever.
3. Slide the main body to the right and remove from behind the door’s locking lever.
4. Assemble the two parts together and store it in a safe place until you use it again.

NOTE: Slight adjustment may be needed to remove pressure from the pin.

WARRANTY INFORMATION

The Equipment Lock Company (TELC) Limited Warranty hereby warrants the original purchase of any new TELC device that the device shall be free from defect in material and/or workmanship. This warranty shall last for a period of one year (365 days) from the date of purchase. Should any such defect arise within the warranty period, TELC shall replace the defective device with a new one of the same type.

Under no circumstances, however, shall TELC be required to refund the purchase price of any device. The warranty does not cover any failure of or damage to the product resulting from accident, misuse or alteration of the product or failure to follow manufacturer's operating instructions.

This warranty does not cover damage caused by use of any attachment not original equipment of the product. TELC will not be liable for damages or costs associated with the loss of keys or number code. TELC will not be liable for any damage, injury or loss caused by the use of the product other than indicated in the manufacturers' instructions. **TELC will not be liable for any damage, injury, death or loss caused by the use of the product.**

TELC will not be liable for any damage to the interior or exterior of a machine, equipment or property caused by product and shall not be liable for loss of or damage to a vehicle, property or its contents.

TELC disclaims any liability for loss of or damages resulting from delay or loss of use and service, or repair, or for loss or damaged devices, or for any incidental consequential negligence or other fault on the part of the manufacturer or others. The implied warranties on this product shall be in effect only for the duration of the expressed warranty period as set forth above and thereafter, there shall be no warranties, either express or implied, including warranties of merchant ability or fitness for particular purpose on TELC products.

Install and remove TELC products only after all moving parts are safely on the ground, the parking brake is on and the engine is turned off. Dispose of or store properly any keys. TELC will not send additional keys after the purchase of a locking device unless requested in writing. TELC will not be held responsible for loss or damage to device, machine, equipment or property, if keys are lost or stolen or if combination codes are forgotten.

TELC products cannot stop all theft, but certainly can prevent theft in most cases. Additionally, TELC products may prevent vandalism, joyrides, and other trades from borrowing your machine. Contact your insurance agent to learn of a deduction you may be eligible for by using these products. Or, have your insurance agent contact TELC directly.

TELC will not be liable for any damage, injury, death or loss caused by the use of the product.
