INSTALLATION

Insert Fan Blades

Insert the fan blades by pressing in firmly. You will hear a click sound.

Remote Control Holder

Mount holder with self-adhesive strip* or use provided hardware.

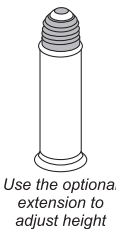

***CAUTION:** Using the self-adhesive strip/back can damage the wall or mounting surface.

OPTION 2 Mount Into Ceiling (See Warning)

Attach wires to household voltage. Mount fixture securely to ceiling. Plug wires into light and attach light to fixture by turning clockwise until you hear a click sound. (hardware provided)

OPTION 1 Screw into Light Socket

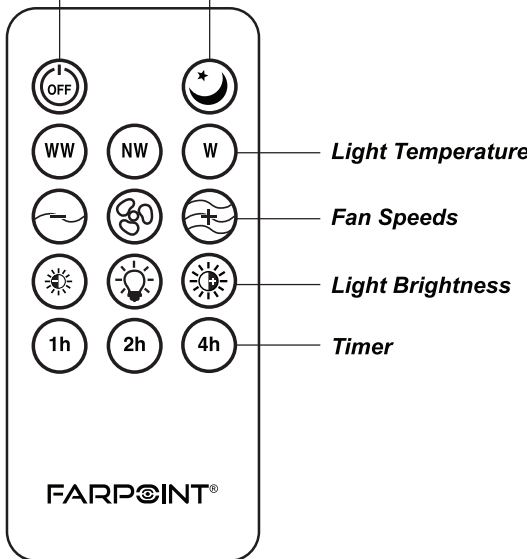

Simply plug in the wires from the fixture into the light. Attach fixture to light by turning clockwise until you hear a click sound.

⚠WARNING: Failing to take the proper precautions or to use the right tools can put you in danger. Consult a professional to get the installation done correctly and safely.
