Save the receipt, warranty and these instructions. It is important that you read the entire manual to become familiar with this product before you begin using it.

This log splitter is designed for certain applications only. The distributor cannot be responsible for issues arising from modification. We strongly recommend this item not be modified and/or used for any application other than that for which it was designed. If you have any questions relative to a particular application, DO NOT use this product until you have first contacted the distributor to determine if it can or should be performed on the product.

For technical questions please call **1-800-222-5381**.

GENERAL SAFETY RULES

WARNING: Read and understand all instructions. Failure to follow all instructions listed below may result in serious injury.

CAUTION: Do not allow persons to operate this log splitter until they have read this manual and have developed a thorough understanding of how the log splitter works.

WARNING: The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions or situations that could occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

SAVE THESE INSTRUCTIONS

HOW TO USE

1. Place the wedge end of the manual log splitter on the end of a vertically positioned log.
2. Raise the sliding hammer handle of the manual log splitter and keep both feet safety away from base of log.
3. Push the sliding hammer handle down with quick force to drive the wedge end into the log.
4. NOTE: The manual log splitter is shipped with a safety screw must be removed before using the manual log splitter.

CAUTION

1. Use only with tools and handles fully visible.
2. Always wear protective goggles and gloves.
3. FOR LOG SPLITTING ONLY-NO OTHER USE. DO NOT use this manual log splitter as a pry bar. Misuse may result in serious injury or death.

MAINTENANCE

1. When not in use, secure the safety screw to the sliding hammer handle to keep the shaft from moving.
2. Store the manual log splitter in a place which is dry and out of direct sunlight.
3. Clean the manual log splitter with dry and soft cloth.
