

Installation Instructions

TL257M Magnetic Towing Lights

1. To avoid electrical shorts and damage to wire, keep wiring away from all moving parts.
2. When routing the wiring harness, be careful not to crush or pinch wiring.
3. Route wires so they won't chafe or rub paint.
4. Clean area of towed vehicle where lights will be mounted. Attach the magnetic lights to a metal surface **only**.

WARNING

Improper installation may result in property damage, serious injury and/or death.

Warranty

Buyers Products Co. warrants all truck/trailer hardware manufactured or distributed by it, to be free from defects in material and workmanship for a period of one year from date of shipment. Parts must be properly installed and used under normal conditions. Any product which has been altered, including modification, misuse, accident or lack of maintenance will not be considered under warranty. Normal wear is excluded. The sole responsibility of Buyers Products Co. under this warranty is limited to repairing or replacing any part or parts which are returned, prepaid, and are found to be defective by Buyers Products Co. Authorization from Buyers Products Co. must be obtained before returning any part. No charges for transportation or labor performed on Buyers' products will be allowed under this warranty.
