

55 GALLON STEEL DRUM DOLLY OWNER'S MANUAL

Unpacking

When unpacking your unit, check carefully for shipping damage. If damage has occurred, file a claim with the delivering carrier within 20 hours and notify the dealer from whom the unit was purchased. Also check for missing parts.

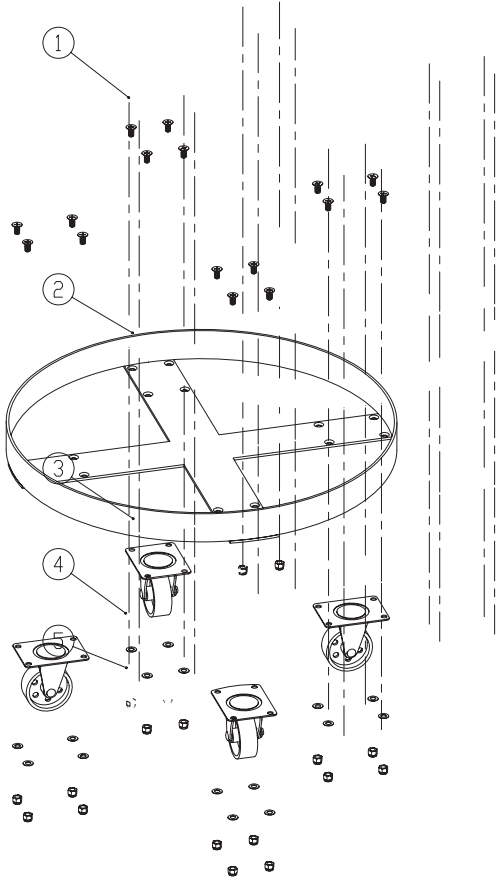

General Safety Information

Warning: The Drum Dolly is designed for the movement of drums. To insure safe use, the following instructions must be adhered to.

- (1) Load Rating: The capacity of your unit is shown on a label on the side of the dolly. Do not exceed load rating printed on the label. Always use caution when using unit at or near capacity.
- (2) It is not recommended to use your unit for loads exceeding the size of the dolly.
User made alterations may result in unsafe conditions during use of unit.
- (3) Do not use unit on inclines.
- (4) Inspect unit thoroughly daily before operation
- (5) Make sure that all bolts are completely tightened.
- (6) Do not operate a damaged unit until it is completely repaired.
