

HUDSON® COMMERCIAL BAK-PAK®

**Model 13194
Commercial Bak Pak®**
4 Gallon/16 Liter Usable Capacity

*“Operating an on-off switch is simple, but with the **ergo comfort** of a Hudson valve, it is painless.”*

*“Sprayer hoses are mostly the same, except for Hudson braided, power-style hoses. They stand up to harsh chemicals and **resist kinking and clogging.**”*

*“Pressurizing a sprayer is easy to do with one-hand. Hudson’s pump handle can be used with **left or right-handed pumping.**”*

*“Filling a tank is easy. It’s even easier with a Hudson wide mouth opening that **keeps chemicals from spilling.**”*

*“Spraying liquid is no big deal, but applying the a precise droplet size is most effective using Hudson’s Bonus Nozzle system with **three different spray settings.**”*

*“Pressurizing a Bak-Pak sprayer is fast, even faster with Hudson’s **powerful piston pump.**”*

Bonus Nozzle Pack:

Dual Cone, Flat Fan and Long Reach Nozzles Included

HUDSON®

The World Standard of Value

Model 13194
