4IN. MAGNIFYING LAMP

OWNER'S MANUAL

⚠ WARNING:

Read carefully and understand all **ASSEMBLY AND OPERATION INSTRUCTIONS** before operating. Failure to follow the safety rules and other basic safety precautions may result in serious personal injury.

Item# 24318

Thank you very much for choosing a Wel-Bilt product! For future reference, please complete the owner's record below:

Model: _____ Purchase Date: _____

Save the receipt, warranty and these instructions. It is important that you read the entire manual to become familiar with this product before you begin using it.

This machine is designed for certain applications only. The distributor cannot be responsible for issues arising from modification. We strongly recommend this machine not be modified and/or used for any application other than that for which it was designed. If you have any questions relative to a particular application, DO NOT use the machine until you have first contacted the distributor to determine if it can or should be performed on the product.

For technical questions please call **1-800-222-5381**.

INTENDED USE

This swing arm magnifying light features an articulated head that allows you to put light where you need it. It is designed to clamp securely to a desk or workbench and swivel out of the way when not in use.

GENERAL SAFETY RULES

WARNING: Read and understand all instructions. Failure to follow all instructions listed below may result in serious injury.

CAUTION: Do not allow persons to operate or assemble this magnifying lamp until they have read this manual and have developed a thorough understanding of how the hand truck **works.**

WARNING: The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions or situations that could occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

IMPORTANT SAFETY CONSIDERATIONS

MAGNIFYING LAMP USE AND CARE

- **Do not modify the magnifying lamp in any way.** Unauthorized modification may impair the function and/or safety and could affect the life of the equipment. There are specific applications for which the magnifying lamp was designed.
- **Always check of damaged or worn out parts before using the magnifying lamp.** Broken parts will affect the magnifying lamp operation. If repairs are needed, consult a qualified electrician.
- **Store idle magnifying lamp.** When magnifying lamp is not in use, store it in a secure place out of the reach of children. Inspect it for good working condition prior to storage and before reuse.

Use 13W CFL Type bulb or 60W (Maximum) Incandescent A Type bulb.

- This portable lamp has a polarized plug (one blade is wider than the other), as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.

OPERATION

1. **How to use:**
   Clamp the bracket to the edge of any horizontal surface. Insert the bottom stem of the arm into the hole in the bracket. Plug in the magnifier lamp.

2. **Changing the fluorescent tube:**
   Switch off the magnifier lamp and take out the plug. Take off the transparent tube protection cover. Replace the fluorescent tube with a new one. Put on the tube protection cover.

3. **Important for safe use**
   1) This magnifying lamp is intended for indoor use only.
   2) Lamp can operate in temperatures of 23°F–104°F.
   3) Avoid humidity levels greater than 95%.
   4) Never disassemble the magnifier lamp unless you are a qualified electrician.
   5) Plug must be taken out while repairing the magnifier lamp.

4. If the external flexible cable or cord of this magnifying lamp is damaged, it shall be exclusively replaced by a qualified service agent or electrician.

For technical questions please call **1-800-222-5381**.
