

18.70

The diagram shows a side view of a chair. The backrest is the upper part, featuring a rounded top and vertical slats. The seat is the lower part, with a curved front edge and a horizontal base. The base is supported by four legs, with a central circular element between the front two legs. Dimension lines with arrows indicate the following measurements:

- 18.70: Total height from the top of the backrest to the top of the seat.
- 15.20: Width of the seat.
- 18.30: Total width of the chair base.
