FIRE PUMPS

Fedco 500 FSV Fedco Collapsible "Smokechaser"

- Bag is constructed of a strong polyester fabric encased in vinyl for superior durability.
- Seams are electronically sealed and reinforced at all stress points.
- Vinyl gives maximum resistance to weather, acid, alkalis, and water.
- Pump is completely rust proof and provides a positive shutoff at any position with no dripoff or waste of water.
- Combination nozzle allows for operator to change from a straight stream to a cone spray quickly and easily without any special tools.
- Pump is unaffected by non-use or long periods of storage.
- Pump has been tested 50,000 strokes at 4 psi without any loss of pump efficiency.
- Military spec shoulder straps and carry handle will not rot, mildew or twist while in service.
- Shoulder strap is equipped with clip to hold pump, freeing up hands.
- Oil proof 44" long hose is equipped with a rust proof ball bearing quick connect type connector.
- Approved by US Forestry Service.

Over 80 Years*

.....ALSO AVAILABLE.....

A Full Line of Poly, Garden & Professional Sprayers

PUMP MAINTENANCE

After use or before storage, pump clean water through pump to clean out dirt, leaves, etc.

A drop or two of oil or grease at packing nut #5949 eases operation. Check nozzle for dirt. Check clamps on hose. Check for wear on hose.

TANK MAINTENANCE

After use or before storage, rinse tank with clean water. Check tank vent for clear opening.

Check straps for fraying or bent snap hooks. Clean leaves or debris from built-in strainer at lower inside. For dry storage, leave cap off and store tank upside down.

WINTERIZING

Use automotive type permanent anti-freeze (*not with leak stop additive as this could plug valves*). Dilute anti-freeze to lowest expected temperature reading.

When danger of freezing is over, rinse pump and tank with clean water. Check cap vent opening. Anti-freeze glycols will form a residue in storage, so clean unit out well.

We will not be responsible for merchandise returned to us without our previous approval. Claims for damage should not be filed with us, but should be filed with your local carrier's agent.

LIMITED WARRANTY

D.B. SMITH & COMPANY, INC., 23 Garden St., New York Mills, New York 13417

We warrant that each product sold by us will be free from defects in material and workmanship for a period of one year from the date of shipment by us. We make no other express warranties, and all implied warranties, including fitness and **merchantability**, are limited to one year from date of shipment by us. Within the warranty period, we will repair or replace any part found to be defective upon our examination but will not pay shipping costs or other expenses. To obtain warranty service, write us at D.B. Smith & Company, Inc. 23 Garden St., New York Mills, NY 13417, or call prepaid, Area Code 315/736-0037. Merchandise may not be returned without prior permission and must be returned to us with freight prepaid. This warranty service is an exclusive remedy and we are not responsible for any consequential or incidental or incidental damages or injury to person or property. This

warranty shall not apply to any product which has been subject to misuse, negligence or accident, or been damaged in shipment, or misapplies, or which has been modified or repaired by only applies to products owned by persons purchasing directly from us or from our approved distributors and merchandisers. The right is reserved to incorporate subsequent design or parts changes after publication and without re-issue or descriptive literature or catalogs.

Note: Limitations on duration of implied warranty and/or consequent damages may not apply to you if your state does not permit them. This warranty gives you specific legal rights in addition to rights which you may have under state law.
