

FOLDING UTILITY CART

OWNER'S MANUAL

WARNING:

Read carefully and understand all INSTRUCTIONS before operating. Failure to follow the safety rules and other basic safety precautions may result in serious personal injury.

Item # 46435

Thank you very much for choosing a Strongway product! For future reference, please complete the owner's record below:

Model: _____ Purchase Date: _____

Save the receipt, warranty and these instructions. It is important that you read the entire manual to become familiar with this product before you begin using it.

This cart is designed for certain applications only. The distributor cannot be responsible for issues arising from modification. We strongly recommend this cart not be modified and/or used for any application other than that for which it was designed. If you have any questions relative to a particular application, DO NOT use the cart until you have first contacted the distributor to determine if it can or should be performed on the product.

For technical questions please call **1-800-222-5381**.

INTENDED USE

Move heavy, dry loads with the ease of a folding utility cart.

Both functional and efficient, this cart folds easily for storage. Use it for gardening and landscaping.

- Supports up to 330 lbs. easily.
- Expanded metal powder-coated deck has a 1in. lip.
- 1in. pipe handles.
- 8 X 2.5 in. ball bearing pneumatic wheels.

TECHNICAL SPECIFICATIONS

Item	Description
Capacity	330 lbs.
Tires	8in. pneumatic wheels
Bed Size	23in. x 39in.

GENERAL SAFETY RULES

WARNING: Read and understand all instructions. Failure to follow all instructions listed below may result in serious injury.

CAUTION: Do not allow persons to operate or assemble this Cart until they have read this manual and have developed a thorough understanding of how it works.

WARNING: The warnings, cautions, and instructions discussed in this owner's manual cannot cover all possible conditions or situations that could occur. It must be understood by the operator that common sense and caution are factors that cannot be built into this product, but must be supplied by the operator.

SAVE THESE INSTRUCTIONS.

WORK AREA

- Keep the work area clean, free of clutter and well lit. Cluttered and dark work areas can cause accidents.
- Keep children and bystanders away while operating the Cart. Distractions can cause you to lose control, so visitors should remain at a safe distance from the work area. The Cart is not a toy and should not be used as such by children.
- Be aware of all power lines, electrical circuits, water pipes and other mechanical hazards in your work area, particularly those hazards below the work surface hidden from the operator's view that may be unintentionally contacted and may cause personal harm or property damage.

PERSONAL SAFETY

- Stay alert. Watch what you are doing and use common sense when using the Cart. Do not use the Cart while you are tired or under the influence of drugs, alcohol or medication. A moment of inattentiveness while operating the Cart may result in serious personal injury.
- Dress properly. Do not wear loose clothing, dangling objects, or jewelry. Keep your hair, clothing and gloves away from moving parts. Loose clothes, jewelry or long hair can be caught in moving parts.
- Use safety apparel and equipment. Use safety goggles or safety glasses with side shields which comply with current national standards, or when needed, a face shield. Use a dust mask in dusty work conditions. This applies to all persons in the work area. Also wear non-skid safety shoes, a hardhat and gloves.
- **This Wagon is not a toy; DO NOT allow children to ride on the wagon.**

USE AND CARE

- Do not modify the Cart in any way. Unauthorized modification may impair the function and/or safety and could affect the life of the equipment. There are specific applications for which the Cart was designed.
- Always check for damaged or worn out parts before using the Cart. Broken parts will affect the Cart's operation. Replace or repair damaged or worn parts immediately.
- Do not exceed the load capacity of the Cart. Always block the wheels when loading or unloading.
- Distribute the load evenly. This is especially important when loading and unloading the Cart. Uneven loads may cause the Cart to tip, resulting in personal injury to the operator or others.
- Use the Cart on flat and level surfaces capable of supporting the maximum load capacity. Pulling or pushing a load on a slanted or uneven surface can result in a loss of control.
- Store the cart in a secure place out of the reach of children when not in use. Make sure the Cart is in good working condition prior to storage and before each re-use.
- Do not stand or ride on Cart. The Cart should not be used to haul people or animals.

WARNING: Make sure the tires are inflated to 30 PSI, the pressure indicated on the tire sidewall. Do not over inflate: Use a hand pump only. A high-pressure air hose can easily overfill the tires, resulting in an explosion and possible injury.

WARNING: Watch your hand when fold or unfold the cart!

OPERATION INSTRUCTIONS

Your cart is fully assembled and does not need further assembly.

Follow these instructions for use:

Unfold for using:

1. Remove cart from shipping carton, then remove fasteners.

2. Unfold the cart completely. It is now ready for use.

Fold for storage:

Pull up the two extendable rods, then fold inward.

MAINTENANCE

- **Maintain your Cart.** It is recommended that the general condition of the Cart be examined before it is used. Keep your Cart in good working order by adopting a program of conscientious repair and maintenance. If any abnormal vibrations or noise occurs, have the problem corrected before further use. Have all necessary repairs made by a qualified service professional.

ASSEMBLY

- The cart is fully assembled; no assembly is required.
