used for transportation and storage.**

Remove plastic adaptor. Depress latch and turn counterclockwise.

To tighten metal bung: Hand tighten, then use screwdriver to tighten
an additional 1/4 turn.

W A R N I N G

The flow of gasoline through the pump nozzle can produce static electricity, which can cause a fire if gasoline is pumped into an ungrounded gasoline container. To avoid static buildup:

- Place approved container on the ground. Do Not fill in a vehicle or truck bed.
- Keep nozzle in contact with the can while filling. Do Not use automatic pump handle device.

G A S O L I N E

**DANGER: EXTREMELY FLAMMABLE. "DO NOT STORE IN TRUNK OF CAR
OR OTHER CONFINED AREAS", "HARMFUL OR FATAL IF SWALLOWED"**

Vapors may ignite explosively. Prevent buildup of vapor. Do not store indoors. Keep away from heat, sparks, and flame. Do not smoke. Do not use or store near flame, pilot lights, stoves, heaters, electric motors, and other sources of ignition. Avoid repeated or prolonged contact with skin or breathing of vapor. If swallowed, do not induce vomiting. Call physician immediately. Close container tightly after each use. Store only in a closed container.
