

Northern Tool + Equipment would like to thank you and congratulate you on your purchase of one of our quality products!

1. STANDARD TOOLBOX INSTALLATION INSTRUCTIONS WITH GRIP-RITE MOUNTING SYSTEM (SOLD SEPARATELY)

Northern Tool + Equipment tool boxes have **pre-punched slots** in the box ends for use with Grip-Rites.

- To use Grip-Rites to mount the tool box, select the desired slot on each end. Use only single opposing slots on each side of the tool box. (Using offset Grip-Rite positions may cause the lid to bind and operate improperly). Remove and discard the knock-outs from the slots, if present.
- **Place the tool box across the truck bed directly behind the cab**, leaving a small gap between the tool box and front bulkhead of the truckbed. Be sure the lid will not make contact with the truck cab when fully opened.
- **Install the provided foam strips** to cushion the tool box on the truck bed rail. Mark the slot positions on the bed rail.
- **Remove the tool box. Attach Grip-Rites in the marked positions. (See Grip-Rite Installation Instructions on the package.)** Place the tool box back into position and bolt it down using the supplied Grip-Rite hardware.

USING MORE THAN ONE GRIP-RITE ON EACH SIDE WILL VOID THE TOOL BOX WARRANTY.

2. STANDARD TOOL BOX INSTALLATION INSTRUCTIONS:

- **Place the tool box across the truck bed directly behind the cab**, leaving a small gap between the tool box and front bulkhead of the truck bed. Be sure the lid will not contact the truck cab when open.
 - **Install the provided foam strips** to cushion the tool box on the truck bed rail.
 - On opposing ends of the tool box, **drill a 1/4" hole in the top lip of the tool box, 1" from the end of the box** into the truck body. Secure with **3/8" sheet metal screws**. Secure using no more than **one screw at each end** of the tool box.
- USING MORE THAN ONE SCREW ON EACH END OF THE TOOL BOX WILL VOID THE WARRANTY.** This includes the use of four screws to secure each corner of the tool box. Northern Tool + Equipment is not responsible for damages due to negligence.

CAUTION

This tool box must be securely mounted to prevent movement or shifting.

WARNING

Any leaking caused by unsealed holes in the box bottom will void the warranty.

DON'T DRILL HOLES IN YOUR TRUCK!

Use of Grip-Rite System **avoids drilling holes** in rails of pickup.

Northern Tool & Equipment recommends Grip-Rite No Drill Mounting System for tool boxes.

* Available in stores.

TRUCK BOX MAINTENANCE

In order to **maintain** the finish of your **chrome pull handle latches**, wash them with mild soap and water whenever you wash your truck. **Do not use harsh, abrasive, ammonia-based, or acid cleaning solutions.** To keep your pull handle latches looking new, use a light coat of chrome polish (available at most auto parts retailers) once every 3 months. **If you live near the ocean or where salt is used on the roads, it is highly recommended you follow the instructions listed above.**

To keep the tool box looking as **new and shiny** as possible, **wash and wax the tool box** at the same time as the pickup. Use a gentle aluminum or mag wheel polish to maintain shine. A light lubrication oil is recommended for the hinge after washing because **soap, water, and sunlight tend to remove the oil film** placed on the hinge prior to shipment.

TRUCK BOX INSTALLATION

Read all enclosed instructions to familiarize yourself with assembly and installation. This tool box is designed for certain applications only.

Northern Tool + Equipment is not responsible for issues arising from modification or improper use of this product such as an application for which it was not designed. We strongly recommend that this product not be modified and/or used for any application other than that for which it was designed.

NORTHERN TOOL LIMITED WARRANTY

Northern Tool and Equipment Company, Inc. ("We" or "Us") warrants to the original purchaser only ("You" or "Your") that the Northern Tool + Equipment product purchased will be free from material defects in both materials and workmanship, normal wear and tear excepted, for a period of one year from date of purchase. The foregoing warranty is valid only if the installation and use of the product is strictly in accordance with product instructions. There are no other warranties, express or implied, including the warranty of merchantability or fitness for a particular purpose. If the product does not comply with this limited warranty, Your sole and exclusive remedy is that We will, at our sole option and within a commercially reasonable time, either replace the product or product component without charge to You or refund the purchase price (less shipping). This limited warranty is not transferable.

Limitations on the Warranty

This limited warranty does not cover: (a) normal wear and tear; (b) damage through abuse, neglect, misuse, or as a result of any accident or in any other manner; (c) damage from misapplication, overloading, or improper installation; (d) improper maintenance and repair; and (e) product alteration in any manner by anyone other than Us, with the sole exception of alterations made pursuant to product instructions and in a workmanlike manner.

Obligations of Purchaser

You must retain Your product purchase receipt to verify date of purchase and that You are the original purchaser. To make a warranty claim, contact Us at 1-800-222-5381, identify the product by make and model number, and follow the claim instructions that will be provided. The product and the purchase receipt must be provided to Us in order to process Your warranty claim. Any returned product that is replaced or refunded by Us becomes our property. You will be responsible for return shipping costs or costs related to Your return visit to a retail store.

Remedy Limits

Product replacement or a refund of the purchase price is Your sole remedy under this limited warranty or any other warranty related to the product. We shall not be liable for: service or labor charges or damage to Your property incurred in removing or replacing the product; any damages, including, without limitation, damages to tangible personal property or personal injury, related to Your improper use, installation, or maintenance of the product or product component; or any indirect, incidental or consequential damages of any kind for any reason.

Assumption of Risk

You acknowledge and agree that any use of the product for any purpose other than the specified use(s) stated in the product instructions is at Your own risk.

Governing Law

This limited warranty gives You specific legal rights, and You also may have other rights which vary from state to state. Some states do not allow limitations or exclusions on implied warranties or incidental or consequential damages, so the above limitations may not apply to You. This limited warranty is governed by the laws of the State of Minnesota, without regard to rules pertaining to conflicts of law. The state courts located in Dakota County, Minnesota shall have exclusive jurisdiction for any disputes relating to this warranty.
