

Instructions: RV Windshield Cover

Installation

Position your RV Windshield Cover over your windshield with the vinyl side up. Place the security straps on the top corner over the door as shown. When your doors are closed and locked your RV Windshield Cover is secured to your RV.

Use and Storage

A handy storage bag is provided. To fit your cover in the bag, fold and roll it tightly instead of stuffing it. Never store a wet cover in the storage bag or a confined area as the cover can be damaged by mildew.

Care

Spot clean with water, a mild soap and a sponge. Don't use abrasive cleaners or brushes.

Three Year Limited Warranty

If this cover fails due to a defect in workmanship and materials within three years from the date of purchase Classic Accessories will repair or replace it free of charge.

Trailing with your Windshield Cover on will invalidate the warranty.

This warranty gives you specific rights and you may also have other rights which vary from state to state.
