

Instructions: RV Tank Cover

For Models 2 and 3 only

Installation

Cover or tape any sharp edges on the tank that could wear against your cover.

For Models 2 and 3: Connect the two board inserts with the two plastic connectors to form one piece as shown. Slide the boards inside the top of your RV Tank Cover into the sleeve provided.

With the zipper in front, pull the tank cover down over your tank. Secure the bottom and close the zipper.

For Model 1: Slip the cover over the tank and close the back by matching the rip-and-grip strips along the back edges

Use and Storage

Never store a wet cover in a confined area as the cover can be damaged by mildew.

Care

Spot clean with water, a mild soap and a sponge. Don't use abrasive cleaners or brushes.

Three Year Limited Warranty

If this cover fails due to a defect in workmanship and materials within three years from the date of purchase, Classic Accessories will repair or replace it free of charge.

Trailering with your RV Tank Cover on will invalidate the warranty.

This warranty gives you specific rights and you may also have other rights which vary from state to state.
