

5-DRAWER STEEL TOOL BOX INSTRUCTIONS

Read these instructions to familiarize yourself with assembly and installation. This tool box is designed for certain applications only. Northern Tool & Equipment is not responsible for issues arising from modification or improper use of this product such as an application for which it was not designed. We strongly recommend that this product not be modified and/or used for any application other than that for which it was designed.

NOTE:

If your truck has a bed liner, use these instructions as a guide only. Due to the many differences in bed liner thickness and fit, longer attaching devices are recommended. You will need to insure that your truck box is mounted securely to the truck, not the bed liner.

⚠ CAUTION

This tool box must be securely mounted to prevent movement or shifting.

⚠ WARNING

Any leaking caused by unsealed holes in the box bottom will void the warranty.

MOUNTING INSTRUCTION

1. Open the front door and remove the bottom drawer to access the locking tab on the body floor. This tab will allow you to release the mounting tray from the tool.
2. While pressing the 2 latch posts on the inside of the box together, push the bottom tray towards the back of the box. This will result in the separation of the mounting tray from the main body housing, leaving 2 separate parts.
3. Position the mounting tray behind the fender flare of your choice, ensuring that the front faces the tailgate.
4. When you have the mounting tray in the desired position, it is recommended to mark the holes prior to drilling, in case shifting of the mounting tray occurs during drilling.
5. Using a 3/8" drill bit, drill through the bed exterior on your markings.
6. Thoroughly clean the surface location where the tool box will be mounted, then line up the drill holes to the mounting tray.
7. Using the bolts supplied, begin inserting them through the mounting tray into the drilled holes. Rotate all screws before tightening any screw completely. As the screws become tighter, completely fasten them to the frame.
8. Ensure the undercarriage of the tool box is free of debris, as well as the mounting tray. Slide the tool box back onto the mounting tray in a similar fashion as it was removed.
9. Re-insert any trays that were removed from the tool box during installation.
10. Remove the keys from the interior of the box and store them in a safe location.

LIMITED WARRANTY

Northern Tool and Equipment Company, Inc. ("We" or "Us") warrants to the original purchaser only ("You" or "Your") that the Northern Tool + Equipment product purchased will be free from material defects in both materials and workmanship, normal wear and tear excepted, for a period of one year from date of purchase. The foregoing warranty is valid only if the installation and use of the product is strictly in accordance with product instructions. There are no other warranties, express or implied, including the warranty of merchantability or fitness for a particular purpose. If the product does not comply with this limited warranty, Your sole and exclusive remedy is that We will, at our sole option and within a commercially reasonable time, either replace the product or product component without charge to You or refund the purchase price (less shipping). This limited warranty is not transferable.

Limitations on the Warranty

This limited warranty does not cover: (a) normal wear and tear; (b) damage through abuse, neglect, misuse, or as a result of any accident or in any other manner; (c) damage from misapplication, overloading, or improper installation; (d) improper maintenance and repair; and (e) product alteration in any manner by anyone other than Us, with the sole exception of alterations made pursuant to product instructions and in a workmanlike manner.

Obligations of Purchaser

You must retain Your product purchase receipt to verify date of purchase and that You are the original purchaser. To make a warranty claim, contact Us at 1-800-222-5381, identify the product by make and model number, and follow the claim instructions that will be provided. The product and the purchase receipt must be provided to Us in order to process Your warranty claim. Any returned product that is replaced or refunded by Us becomes our property. You will be responsible for return shipping costs or costs related to Your return visit to a retail store.

Remedy Limits

Product replacement or a refund of the purchase price is Your sole remedy under this limited warranty or any other warranty related to the product. We shall not be liable for: service or labor charges or damage to Your property incurred in removing or replacing the product; any damages, including, without limitation, damages to tangible personal property or personal injury, related to Your improper use, installation, or maintenance of the product or product component; or any indirect, incidental or consequential damages of any kind for any reason.

Assumption of Risk

You acknowledge and agree that any use of the product for any purpose other than the specified use(s) stated in the product instructions is at Your own risk.

Governing Law

This limited warranty gives You specific legal rights, and You also may have other rights which vary from state to state. Some states do not allow limitations or exclusions on implied warranties or incidental or consequential damages, so the above limitations may not apply to You. This limited warranty is governed by the laws of the State of Minnesota, without regard to rules pertaining to conflicts of law. The state courts located in Dakota County, Minnesota shall have exclusive jurisdiction for any disputes relating to this warranty.
