## GENERAL PURPOSE LITHIUM GREASE

### PRODUCT SUMMARY

Northern Tool General Purpose Lithium Grease is a multi-purpose NLGI 2 lithium based lubricant recommended for light duty applications in typical temperatures. Northern Tool General Purpose Lithium Grease is formulated with additives that protect the metal surfaces and components in your equipment from premature wear.

### FEATURES/BENEFITS

- Heat & Water Resistant
- Contains Rust & Oxidation Inhibitors
- Additives Provide Superior Metal Protection
- Lithium-Based Grease
- Wide Range of Applications
- Made in the USA

### APPLICATIONS

General Purpose Lithium Grease is recommended for:

- Automotive
- Industrial
- Trucks
- Buses
- Farm Tractors
- Construction Equipment
- High-temp Wheel Bearings
- Roller & Ball Bearings
- Throw-out Bearings
- Universal Joints
- Chassis
- Fifth Wheel
- Machinery

### PRODUCT SPECIFICATIONS

<b>Color</b>	Amber
<b>Texture</b>	Smooth
<b>Thickener Type</b>	Lithium Complex
<b>NLGI Grade</b>	2
<b>Worked Penetration @25C</b>	265-295
<b>Drop Point, F</b>	350
<b>Base Oil Viscosity @ 40C cSt</b>	150
<b>Base Oil Viscosity @ 100C cSt</b>	11.9
<b>Base Oil Viscosity @ 100F SUS</b>	813
<b>Base Oil Viscosity @ 210F SUS</b>	67
<b>Suggested Operating Temperature Range</b>	N/A

### NTE PART NUMBER

52589  
52597

### PACKAGE DESCRIPTION

14 oz cartridge
