

POWERHORSE[®]

ANTI-WEAR HYDRAULIC OIL ISO 32

PRODUCT SUMMARY

Powerhorse Anti-Wear Hydraulic Oil ISO 32 is a premium quality anti-wear hydraulic oil that meets the requirements of most fluid power systems.

FEATURES/BENEFITS

- Good anti-wear properties to reduce wear rates in gear, vane and piston pumps
- High resistance to oxidation and thermal degradation
- Superior water separation properties, rust and corrosion prevention and foam resistance

APPLICATIONS

Anti-Wear Hydraulic Oil ISO 32 is recommended for:

- Power Systems

- Maintenance Equipment
- Farm & Acreage Equipment
- Logging Equipment

PRODUCT SPECIFICATIONS

ISO Viscosity Grade	32
Specific Gravity @ 15.6°C	0.87
Viscosity @ 40C cSt	31
Viscosity @ 100C cSt	5.2
Viscosity Index	110
Flash Point (°F)	405
Pour Point (°F)	-15

POWERHORSE PART NUMBER

52601
52596
52602

PACKAGE DESCRIPTION

1 Gallon | 3.78 L
2.5 Gallon | 9.46 L
5 Gallon | 18.9 L
