## SAE 5W-30 4-CYCLE ENGINE OIL

### PRODUCT SUMMARY

Powerhorse 5W-30 Engine Oil is a premium 4-Cycle Engine Oil specially designed for use in outdoor power equipment. Recommended for use in small 4-Cycle gas engines commonly found in snow removal equipment. Formulated with premium base oils and additives, this multi-grade engine oil is designed for easy starting in winter applications. Provides better lubrication and engine protection than 10W-30 and SAE 30 in cold temperatures.

### FEATURES/BENEFITS

- Optimized for Easy Starting in Cold Weather
- Wider Viscosity Range vs. Competing SAE 30 & 10W-30 Products
- Formulated with High Quality Base Oils
- Protects Against Thermal Brake Down

### APPLICATIONS

SAE 5W-30 4-Cycle Engine Oil is recommended for:

- Lawnmowers
- Generators
- Water Pumps
- Pressure Washers
- Log Splitters
- Misc. Outdoor Power Equipment
