

## GP3300

### GP SERIES Commercial/Residential Portable Generators

1 of 2

### Features

- **The Generac OHV engine** with splash lubrication provides a long engine life.
- **Large-capacity steel fuel tank** with incorporated fuel gauge provides durability and extended run times.
- **Low-oil level shutdown** automatically safeguards engine from damage.
- **Hardened steel tube cradle** for added durability and strength.
- **Fold-down handle** for sturdy portability and compact storage.
- **Hour Meter** tracks maintenance intervals.
- **Heavy-duty, never flat wheels** for reliable portability.
- **20A to 30A RV adapter** makes your RV and your generator compatible.

**Model 6431-0** UPC: 696471064315 (49ST/Canada)  
**Model 6432-0** UPC: 696471064322 (California/City of LA)

**AC Rated Output Running Watts 3300**  
**AC Maximum Output Starting Watts 3750**

### 49-State Control Panel

# GP3300

## specifications

|                                         |                                                  |

| Product Series                          | GP3300                                           |
| Model (Configuration)                   | 6431-0 (EPA/CSA)<br>6432-0 (EPA/CARB/City of LA) |
| AC Rated Output Running Watts:          | 3300                                             |
| AC Maximum Output Motor Starting Watts: | 3750                                             |
| AC Voltage                              | 120/240 VAC                                      |
| AC Frequency                            | 60 Hz                                            |
| Rated VAC Amperage                      | 27.5/13.75                                       |
| Engine Displacement                     | 208cc                                            |
| Engine Type                             | OHV                                              |
| Engine RPM                              | 3600                                             |
| Recommended Oil                         | 10W-30 / SAE30                                   |
| Lubrication Method                      | Splash                                           |
| Automatic Voltage Regulation            | Yes                                              |
| Choke Location                          | On Engine                                        |
| Fuel Shut Off                           | On Fuel Tank                                     |
| Starting Method                         | Recoil Pull Start                                |
| Low Oil Shutdown Method                 | Low Level                                        |
| Neutral Bonded to Ground                | Yes                                              |

|                              |                          |
|------------------------------|--------------------------|
| Start Switch Type            | On/Off Switch            |
| Switch Location              | On Control Panel         |
| Fuel Gauge                   | Built-In Tank            |
| Fuel Tank Capacity Gal (Ltr) | 3.35 (12.7)              |
| Run Time at 50% (Hours)      | 10.25                    |
| Handle Style                 | Single Folding           |
| Wheel Type                   | 8" (203 mm) Solid Wheels |
| Maintenance Kit              | Sold Separately          |
| Warranty - Residential       | 2 Year Ltd               |
| Warranty - Commercial        | 1 Year Ltd               |

## Dimensions and Weights

|                          |              |
|--------------------------|--------------|
| Length in (mm)           | 24.2 (617)   |
| Width in (mm)            | 22.5 (572)   |
| Height in (mm)           | 21.0 (533.8) |
| Extended Length in (mm)  | 37.0 (939.5) |
| Carton Length in (mm)    | 25.2 (640)   |
| Carton Width in (mm)     | 17.7 (450)   |
| Carton Height in (mm)    | 19.0 (485)   |
| Unit Weight lbs (kg)     | 101.5 (46)   |
| Shipping Weight lbs (kg) | 106 (48)     |
