## 1. Introduction

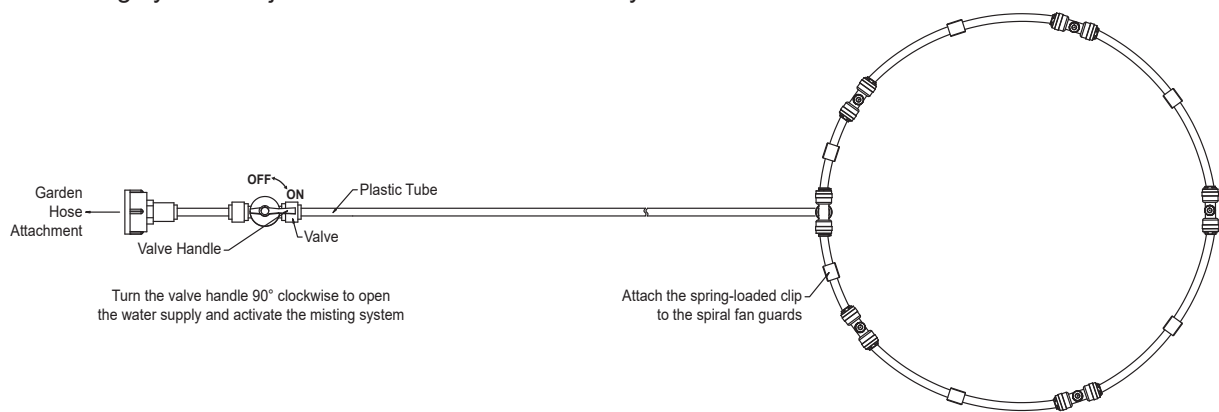

Welcome to the misting fan kit user manual. This comprehensive guide aims to provide you with the necessary information to assemble, install, and use your misting fan kit effectively. With this kit, you can transform your outdoor fan into a misting fan, delivering a refreshing cool mist during hot summer days.

## 2. Assembly

- **Unpack the Kit:** Remove all components from the packaging and ensure you have all the necessary parts.
- **Attach the Misting Circle:** Carefully attach the misting circle, equipped with five brass nozzles, to the outdoor fan. Make sure it is securely fastened.
- **Connect the Thread Adapter:** Connect the thread adapter, made from solid brass, to your outdoor faucet. Ensure the connection is tight and secure.

## 3. Installation

- **Position the Fan:** Place the fan in a suitable outdoor location, ensuring it is safely secured and away from obstacles.
- **Connect Tubing:** Connect the tubing from the misting circle to the thread adapter. Ensure there are no kinks or bends in the tubing to allow for smooth water flow.
- **Test the Connection:** Turn on the water supply and check for any leaks or issues with the misting system. Adjust the connection if necessary.

## 4. Usage

- **Turn on the Fan:** Power on your outdoor fan and set it to the desired speed.
- **Activate the Misting System:** Turn on the water supply to activate the misting system. Adjust the water flow if needed to achieve the desired misting effect.
- **Enjoy the Cool Mist:** Enjoy the refreshing cool mist from your misting fan, providing a comfortable outdoor environment during hot summer days.

## 5. Maintenance

- **Clean the Nozzles:** Regularly clean the brass nozzles to prevent any build-up of dirt or debris.
- **Inspect the Tubing:** Check the tubing for any kinks, bends, or leaks and replace any damaged parts.
- **Store Properly:** When not in use, store the misting fan kit in a dry, protected area to prolong its lifespan.

**By following these steps in the user manual, you can enjoy your misting fan kit and create a cool and refreshing outdoor space during the hot summer months.**

**If you have any further questions or need assistance, please feel free to contact our customer support team.**

## 6. Limited Warranty

One-year limited warranty.
