SUNEX Tools Unleashes Full Line of Magnesium Composite Impact Wrenches

Lightweight. High Torque. Built for the Long Haul.

Greer, SC (July 1, 2025) – SUNEX Tools is proud to announce the launch of 5 new Magnesium Composite Impact Wrenches designed for professionals who demand power without compromise. Covering 3/8" to 1" drive sizes, the all-new lightweight Magnesium Composite series delivers maximum torque with the lightest tool in its class—offering superior ergonomics, rugged durability, and game-changing Power-to-Weight Ratios across the board.

This innovative line includes:

SX3802 – 3/8" Drive Magnesium Composite Impact Wrench

Delivering **600 ft-lbs. of breakaway torque** and weighing just **2.3 lbs.**, the SX3802 achieves a Power-to-Weight Ratio of **261 ft-lb/lb**. Ideal for undercar, engine bay, and tight-access tasks where precision and performance matter.

SX1202 – 1/2" Drive Magnesium Composite Impact Wrench

With **1,650 ft-lbs. of breakaway torque** in a 3.6-lb. body, the SX1202 sets the bar with a category-leading Power-to-Weight Ratio of **458 ft-lb/lb**. A go-to tool for general maintenance, tire shops, and high-volume service bays.

SX3402 – ¾” Drive Magnesium Composite Impact Wrench

Designed for heavy-duty environments, this tool offers **2,400 ft-lbs. of breakaway torque** at just **6.7 lbs.**, resulting in a **358 ft-lb/lb** Power-to-Weight Ratio. Perfect for suspension, construction, and fleet work.

SX0102 – 1” Drive Magnesium Composite Impact Wrench

Built for the biggest jobs, the SX0102 hits **2,700 ft-lbs. of breakaway torque** with a 12.7-lb. frame—Power-to-Weight Ratio of **213 ft-lb/lb**—without sacrificing maneuverability or comfort.

SX01026 – 1” Drive Magnesium Composite Impact Wrench with 6” Anvil

With extended reach and extra muscle, this tool delivers up to **3,200 ft-lbs. of breakaway torque**, weighing in at **15.8 lbs.** with a Power-to-Weight Ratio of **203 ft-lb/lb**. Ideal for commercial trucks, off-road, and agricultural equipment.

All models in the lineup feature:

- **Magnesium Alloy Clutch Housings** for lightweight strength, superior heat dissipation, and impact/corrosion resistance
- **7 Spring-Loaded Rotor Blades** for smoother operation and longer tool life
- **Durable Handles** made from 40% glass-filled nylon for high impact and wear resistance
- **One-Hand Switch Regulators** with variable torque settings and ergonomic control
- **Rotating Air Inlets** to reduce hose twisting and improve maneuverability
- **Low Noise Output**, operating between **96.8–103.3 dBA**, supporting a quieter work environment
- **Ergonomic Handle Designs** to minimize hand fatigue during extended use
- **1-Year Warranty** for confidence on the job

From mechanic shops to tire shops, this new generation of impact wrenches delivers unmatched performance, control, and comfort, meeting the demands of today’s professional technician.

About SUNEX Tools:

Since its inception in 1977, SUNEX Tools has grown to become a leading brand in industrial and automotive workplace tools and equipment. Known for their commitment to quality and performance, SUNEX provides tools that match the dedication and hard work of professionals in various industries, from heavy-duty industrial maintenance to neighborhood auto mechanics.
