For Immediate Release

SUNEX Tools Launches Five New Master Impact Socket Sets for Maximum Coverage and Versatility

Built for Pros. Backed for Life.

Greer, SC (July 1, 2025) – SUNEX Tools expands its legendary socket offering with 5 new Master Impact Socket Sets engineered for total jobsite coverage, professional-grade durability, and unmatched versatility. Whether you're working with ¼", ⅜", ½" or 1" drive, this comprehensive line delivers organized, high-performance solutions for technicians, mechanics, and industrial users who need the right socket—every time.

1068 – 68-Piece Master Impact Socket Set

Featuring ⅜" and ½" drive SAE and metric 6-point standard and deep sockets, plus universal joints, adapters, and extensions. Sizes range from 5/16"–1-1/2" and 8mm–30mm, all crafted from premium CR-MO steel for lasting durability. The set includes adjustable socket rails, dual size markings, and a black phosphate finish for corrosion resistance.

10105 – 106-Piece Master Impact Socket & Bit Socket Set

This versatile ⅜" and ½" drive set includes deep sockets, star, E-star, triple square, tamperproof star, and long hex bit sockets—plus accessories for every situation. Bit sizes range from 4–19mm, T20–T55, E5–E16, and beyond. Built for pros who need performance across multiple fastener types.

10181 – 181-Piece Master Impact Socket & Bit Socket Set

With standard and deep sockets, stubby and long hex, star, E-star, and tamperproof star bits, this ultra-complete set is perfect for large shops and fleet maintenance operations. Includes universal joints, extensions, and adjustable socket rails for full organization.

10222 – 222-Piece Master Impact Socket & Bit Set

Covering ¼", ⅜", and ½" drive, this master set includes everything from 6-point sockets to stubby triple square and tamperproof bit sockets, spanning sizes 3/16"–1-1/2" and 4–30mm. With 16 socket rails, lifetime warranty, and ANSI/ASME compliance, it's the ultimate upgrade for any pro's setup.

26102 – 102-Piece ½" Drive Master Impact & Bit Socket Set

Built around heavy-duty ½" drive work, this set includes standard and deep impact sockets, long hex bits, universal joint, extensions, and adapters. Sizes range from 3/8"–1-1/2" and 9mm–30mm, delivering top-tier strength with easy organization adjustable socket rails.

Every set is designed with SUNEX's signature durability features:

- **Premium CR-MO Alloy Steel** for strength, impact resistance, and longevity
- **Radius Corner Design** to reduce fastener wear and prevent rounding
- **Dual Size Markings** (laser etched and stamped) for clear identification
- **Black Phosphate Finish** to resist corrosion in tough environments
- **Adjustable Socket Rails** for secure, customizable organization
- **Universal Joints** with 360° rotation and up to 30° of flexibility
- **Meets or Exceeds ANSI and ASME Standards**
- **Backed by SUNEX's Lifetime Warranty** – no exceptions

From routine repairs to high-torque, specialty applications, SUNEX Master Impact Socket & Bit Sets deliver the coverage, confidence, and craftsmanship professionals demand.
