

SUNEX[®]
T O O L S

**CHISEL AWAY
WITH CONFIDENCE**

**OUR AIR HAMMER CHISELS DELIVER
EFFORTLESS PERFORMANCE**

- **Patented chamfer design** - significantly extends chisel life by 50%, reducing wear and tear on chisel retention for longer-lasting performance
- **Enhanced material** - increases durability, making them more resistant to wear and improving overall tool life
- **Durable 600D roll pouch** - features a water-repellent coating and a secure hook and loop strap, making it easy to carry and keep tools dry
- **Standard 0.401 shank size** - ensures compatibility with most chisel retainers for versatile use
