## 2-SHELF UTILITY CARTS BUILT FOR TOUGH JOBS

- **Heavy-Duty Material** - Built from tough polypropylene, this utility cart is designed to withstand the rigors of a busy workshop, ensuring long-term performance and reliability
- **Organized Storage** - Built-in storage space for tools or parts keeps them within reach while the deep shelf design maximizes storage capabilities while working
- **Durable Design** - Made of high-quality industrial strength plastic ensures these plastic carts will last and won't rust, dent, peel, or chip
- **Rounded Corners** - Protect vehicles and walls from accidental dents or scratches

8037 and 8039

## POLYPROPYLENE UTILITY CARTS, TWO SHELF

**8037**

Both carts have 2 fixed and 2 spinning 5" hard rubber casters, for smooth operation and easy mobility across any surface

500 lbs load capacity  
for heavy loads  
(250 lbs per shelf)

6-pocket integrated organization tray with cup holder keeps small tools and accessories in place

Comfort grip push handle for effortless steering

Paper towel holder on both carts ensures that clean-up is always at your finger tips

Keep your small tools and accessories in place with the 6-pocket integrated organization tray with even a convenient cup holder for added functionality

**8039**

Rounded corners on both carts protect cars and walls
