

Two Year Full Warranty

Bullard warrants to the original purchaser that the GVX Helmet will be free of defects in material and workmanship under normal use and service for a period of two (2) years from the date of purchase. All other consumable parts have a 1-year limited warranty against defects in material workmanship under normal use and service. Bullard's obligation under this warranty is limited to repairing or replacing, at its option, articles that are returned within the warranty period and that are, after examination, shown to Bullard's satisfaction to be defective, subject to the following limitations;

- a) GVX Respirator must be returned to the Bullard factory with shipping charges prepaid.
- b) GVX Respirator must not be altered from its original factory configuration.
- c) GVX Respirator must not have been misused, intentionally or negligently abused, or damaged in transport.
- d) A copy of the purchaser's original invoice showing the date of purchase is required to validate warranty coverage.

In no event shall Bullard be responsible for damages for loss of use or other indirect, incidental, consequential or special costs, expenses or damages incurred by the purchaser, notwithstanding that Bullard has been advised of the possibility of such damages.

ANY IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO ONE (1) YEAR FROM THE DATE OF PURCHASE OF THIS PRODUCT.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.
