

GRD18V-127N 18V High Torque Right Angle Drill

Catalog #	GRD18V-127N
UPC	000346824810
Material #	06019N5010

The Bosch GRD18V-127N High Torque Right Angle Drill delivers incredible power and user control to drive larger holes with ease, making it ideal for electricians, plumbers and more. Two speed settings (0-1,800 and 0-550) offer fast drilling for standard applications or additional torque for more demanding tasks. Capable of drilling up to 2-9/16 In. holes with self-feed bits and up to 5 In. holes with hole saws, the drill helps deliver faster rough ins for enhanced productivity on the jobsite. Lightweight and compact at only 6.8 Lbs., it offers outstanding maneuverability for use in tight spaces and extended applications. Dual KickBack control helps to reduce the risk of injury from sudden reaction in a bind-up scenario. The 1/2 In. keyed chuck helps provide a secure hold and reduces bit runout and an LED light illuminates dimly lit work areas for more precise drilling.

Scope of delivery

(1) GRD18V-127 18V 1/2 In. High Torque Right Angle Drill	✓
(1) Belt Clip	✓

Technical Data

Chuck Size	1/2 in 1/2 in
Torque (in. lbs)	1,800 1,800
RPM	0 0
No Load RPM	0-1,800 0-1,800
Weight	3.8000 kg 3.8000 kg
Width	215 mm 215 mm
Height	107 mm 107 mm
Length	481 mm 481 mm

Case Type	No Case Included
Material Status	Active Active
Date of Valid Distribution Status	20250918 20250918
Country of Origin	Malaysia Malaysia

Product Benefits

- (1) GRD18V-127 18V Brushless 1/2 In. Right Angle Drill, (1) Belt Clip
- Brushless motor - delivers increased power and enhanced runtime
- Two speed settings (0-1,800 and 0-550) - for greater control over power output, with fast drilling for standard applications and higher torque for demanding tasks
- 1/2 inch keyed chuck - provides secure hold and reduces bit runout
- Dual KickBack Control - helps slow down or stop the tool to help prevent sudden reactions in bind-up situations
- Lightweight, compact design - weighing only 6.8 pounds for easy maneuverability in tight spaces
- LED work light - for better visibility in dimly lit workspaces
- AMPShare™ System - battery system designed to be multi-brand compatible across many cordless products to make managing your workday easier
- Bosch 18V cordless power tools are covered by a five-year limited warranty for details, visit for details, visit the Bosch power tools website or call 1-877-BOSCH99
