

GSA18V-24N Cordl Reciprocating Saw

Catalog #	GSA18V-24N
UPC	000346825183
Material #	06016A5110

The GSA18V-24 Reciprocating Saw is compact and lightweight yet delivers the power needed to make tough cuts through wood, metal and more. Weighing just 3.8 Lbs. and measuring 13.3 In. total length, it's the lightest in its class – offering outstanding maneuverability in tight spaces. With a .94 In. stroke length and 0-3,100 spm, the tool is optimized for fast material removal in demanding applications. The brushless high-performance motor and drive-train system is engineered to take full advantage of the additional power generated by CORE18V® batteries. The variable speed trigger provides enhanced control, while the tool-free blade change system makes exchanging accessories simple.

Scope of delivery

(1) GSA18V-24 18V Compact Reciprocating Saw	✓
(1) Wood-Cutting Reciprocating Saw Blade	✓
(1) Metal-Cutting Reciprocating Saw Blade	✓

Technical Data

Blades Included	2
External Motor Brush Access	Brushless Motor
Blade Type	(1) Wood-cutting blade, (1) Metal-cutting blade
Integrated Rafter Hook	Not Featured
Material Status	Active Active
Date of Valid Distribution Status	20250918 20250918
Country of Origin	China China
No Load SPM	0-3,100 0-3,100
Stroke Length	0.94 0.94
Weight	1.9700 kg 1.9700 kg
Width	165 mm 165 mm
Height	95 mm 95 mm
Length	370 mm 370 mm

Product Benefits

- (1) GSA18V-24 18V Compact Reciprocating Saw, (1) Wood-Cutting Reciprocating Saw Blade, (1) Metal-Cutting Reciprocating Saw Blade
- .94 inch stroke length and 0-3,100 spm – for fast, efficient cutting and more material removal in a range of applications
- Variable speed trigger switch – controls operating speed for greater tool control
- Toolless blade-change system – allows quick and effortless blade changes
- Lightweight, compact design – weighing only 3.8 pounds and measuring 13.3 inches for outstanding maneuverability in tight spaces
- LED light – illuminates dimly lit work areas
- In-line design – for easier close-to-the-wall cuts
- Brushless™ motor technology – provides a high-performance motor and drive-train system engineered to take full advantage of the additional power generated by CORE18V® high power batteries (sold separately)
- AMPShare™ System – designed to be multi-brand compatible across many cordless products to make managing your workday easier
- AMPShare™ System compatibility – 18V batteries and chargers are compatible with Bosch 18V power tools and a growing list of cordless products from AMPShare™ brands
- Bosch 18V cordless power tools are covered by a five year limited warranty – for details, visit the Bosch power tools website or call 1-877-BOSCH99
