

GNH18V-35N 18V Brushless 23ga Pinner

Catalog #	GNH18V-35N
UPC	000346826517
Material #	0601482710

The Bosch GNH18V-35 18V Brushless 23-gauge Pin Nailer delivers power and precision in a cordless solution. Experience uninterrupted productivity while navigating tight spaces and hard-to-reach areas by eliminating the hassle of compressors and hoses. The efficient, brushless motor and optimized coil spring system delivers the power to consistently sink 23-gauge pin nails, making it ideal for finish trim and wood veneer. With a magazine capacity of 110 pins, the pin nailer features dry fire lockout that automatically stops operation when down to the last four nails to prevent blank firing and safeguard the workpiece from potential damage. Reduced recoil and no-mar contact tips further help to protect the workpiece from unsightly dents. An onboard LED light illuminates the work area for more precise and efficient nailing. Make quick and easy depth adjustments with the toolless adjustable depth of drive. An integrated heavy-duty belt hook provides easy portability and storage between tasks.

Scope of delivery

Includes: (1) Bosch GNH18V-35 18V Brushless 23-gauge Pin Nailer(2) No-marring Contact Tips	✓
--------------------------------------------------------------------------------------------	---

Technical Data

Battery Life	4 4
Weight	2.4000 kg 2.4000 kg
Width	293 mm 293 mm
Height	86 mm 86 mm
Length	310 mm 310 mm
Integrated Rafter Hook	Not Featured
Material Status	Active Active
Date of Valid Distribution Status	20250918 20250918
Country of Origin	Taiwan Taiwan

Product Benefits

- (1) GNH18V-35 Pin Nailer
- Toolless depth adjustment - for quick, easy changes
- Low recoil - for enhanced comfort and control
- Pneumatic-like performance - provides enhanced productivity by eliminating the need for compressors and hoses
- LED light - illuminates the work area for added accuracy
- Dry-fire lockout - helps prevent material damage by stopping the tool when down to the last four nails
- Brushless motor - for efficient power to consistently sink 23 gauge pin nails into wood
- Non-marring contact tip - protects the workpiece from dents
- Optimized spring coil system - helps deliver reliable performance from start to finish
- Integrated belt hook - right or left side mount for easy portability and storage
- Bosch 18V cordless power tools are covered by a five-year limited warranty for details, visit the Bosch power tools website or call 1-877-BOSCH99
