Catalog #	GRC18V-60N
UPC	000346826999
Material #	06019N8010

Quickly fasten with the Bosch GRC18V-60 18V Cordless Ratchet, a compact, portable solution ideal for automotive techs and maintenance pros who need versatility in tight spaces without compromising on power. The efficient brushless motor maximizes power and runtime, delivering 45 ft-lbs. of max torque and a no-load speed of 0-400 RPM to fasten and remove nuts and bolts for peak productivity on the jobsite. Ergonomic, with a full-length trigger and in-line design that allows for enhanced comfort even in challenging positions. Three speed settings provide precise control to tailor the tool to the task at hand. The 3/8 In. square drive is compatible with standard and impact rated sockets for maximum versatility. A bright LED light illuminates dark work areas for more precise fastening.
