Toledo Tools Extended Warranty Program

FS-Curtis provides industry leading warranty programs throughout our product portfolio. These warranties provide additional peace-of-mind to products which already enjoy best-in-class quality. All FS-Curtis Reciprocating products are backed by a Standard Manufacturer's Warranty of 12 months. The Toledo Tools Extended Warranty protects your investment through extended coverage on your Toledo Tools rotary screw compressor. Take advantage of the additional 4 year warranty on your FS-Curtis compressor.

To be eligible for the Toledo Tools Extended Warranty, all of the following requirements must be met:

1. The Rotary Screw Start-Up and Warranty Registration form must have been completed in its entirety ONLINE at www.fscurtis.com within 30 days of the original start-up date. Start-up by an Authorized FS- Curtis Channel Partner is REQUIRED for all Rotary Screw Air Compressors above 25 HP, to ensure proper installation and operation..
2. The Owner must maintain the compressor in accordance with instructions found in the Curtis-Toledo, Inc. Operator's Manual (documentation will be required).
3. The Owner must use only Genuine Curtis-Toledo, Inc parts and lubricants for the entire extended warranty period (proof of purchase will be required).
