

UltraShield Extended Warranty Program

FS-Curtis provides industry leading warranty programs throughout our product portfolio. These warranties provide additional peace-of-mind to products which already enjoy best-in-class quality. All FS-Curtis Reciprocating products are backed by a Standard Manufacturer's Warranty of 12 months. The UltraShield Warranty protects your investment through extended coverage on your ML or CA UltraPack reciprocating compressor. Take advantage of the additional 4 year warranty on your FS-Curtis compressor.

WARRANTY**

REQUIREMENTS

To be eligible for Extended Warranty, all of the following requirements must be met:

1. The Reciprocating Start Up and Warranty Registration form must be completed in its entirety ONLINE at <https://us.fscurtis.com/> within 30 days of the original startup date. Start up by an Authorized FSCurtis Distributor is not required for Reciprocating Air Compressors but is highly recommended to ensure proper installation and operation.
2. All reciprocating air compressor packages must be properly secured with mounting hardware to the floor surface (refer to the Owner's Manual for installation details).
3. The Owner must maintain the compressor in accordance with instructions found in the FS-Curtis, Inc. Operator's Manual (documentation will be required). The Owner must use only FS-Curtis, Inc parts and lubricants for the entire extended warranty period (proof of purchase will be required).
