SAFETY WARNINGS

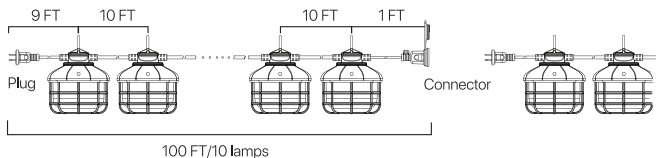

- Do not operate the Work Light in explosive atmospheres, such as in the presence of flammable liquids, gases or dust. The Work Light generates sparks which may ignite the dust or fumes.
- Do not leave the Work Light unattended when it is plugged in. Unplug it from the electrical outlet before leaving.
- Do not submerge the Work Light in water.
- Do not obstruct walkways or common areas with the cord. Do not modify this fixture. Any modifications may render the product unsafe and void the warranty.
- Electrical Requirements - The LED driver must be supplied with 120VAC, 60 Hz per product label and connected to an individual properly grounded branch circuit, protected by a 15 or 20 ampere circuit breaker.

OPERATING INSTRUCTIONS

Connecting String Lights

Connect up to 12 strings of lights maximum

Connect up to 6 strings of lights maximum

NOTE: Total connection should not exceed 960W.

WARRANTY

1 YEAR | LIMITED WARRANTY

STEELMAN® tools are backed by a 1 Year Limited Warranty. This warranty covers manufacturer defects and workmanship. The warranty excludes misuse or abuse and normal wear and tear. Exclusion is not allowed in some states and may not apply. This warranty gives you specific legal rights, and you may have other rights, which vary from state to state.
