IDEAL*Brite*™

DOCK LIGHTS

Light Your Way to a Safer Dock

A LOADING DOCK CAN BE A DANGEROUS PLACE, WITH A CRITICAL ACCIDENT WAITING AROUND EVERY DIMLY LIT CORNER.

Ideal Warehouse's new IDEAL*Brite*™ dock lights are engineered to meet the demands of industrial environments and is your solution to brighten up those dark spots and illuminate a safer way to work.

Durable, Powerful, Efficient

- **Durable Construction:** Powder-coated aluminum heads and impact-resistant polycarbonate lenses for long-lasting performance in demanding environments
- **High-Performance LEDs:** Equipped with CREE LED emitters rated for 50,000 hours, ensuring consistent, reliable illumination
- **Energy-Efficient Lighting:** Most models include a three-way power switch, allowing for full brightness, half brightness and power-off settings to save energy without sacrificing visibility
- **Premium Features:** All lights are IP65-rated for water and dust resistance, and the gooseneck light (also IP65-rated) includes an anti-sag neck for precise and stable positioning
- **Flexible Configurations:** Available in 40" single-arm, 40" double-arm, or 60" double-arm options, with arm + light + fan combinations for added functionality
- **Certified and Guaranteed:** Meets IP65/UL/cUL/FCC/CE/RoHS standards and comes with a 5-year warranty for peace of mind and compliance assurance
