BOLLARDS

Anchored protection for your facility.

STRENGTH. (AND VARIETY.)

Bollards offer a simple and effective way to protect walls, structures, racking, dock entrances and more from what can be costly and even devastating impact from forklifts and other industrial vehicles.

Ideal Warehouse Innovations Bollards are painted high-visibility safety yellow are a solid steel construction. Available in square or round. The square bollards offer a removable black cap and can be filled with concrete for extra strength.
